

# NPQ in Leading Teaching (NPQLT)

## Who is it for?

Teachers who have, or are aspiring to have, responsibilities for leading teaching in a subject, year group, key stage or phase.

## What will I learn?

You'll develop the knowledge, skills and expertise to lead high-quality teaching and curriculum development in your context.

Modules include:

- School culture
- How pupils learn
- Subject and curriculum
- Classroom practice
- Adaptive teaching
- Assessment
- Professional development
- Implementation

## Programme breakdown

Designed with busy teachers in mind, the NPQLT is delivered using a blend of online seminars, flexible online learning and conferences.

## NPQ DfE Scholarship Funding Available

Full scholarship funding, with no cost to the participant, is available to all teachers who work in a state-funded school, college or sixth form in England.

For the announced scholarships there are no limits on the number of funded places per school however all NPQ providers have been allocated a set number of places by the DfE therefore we will operate on a first-come, first-served basis.

## Working in partnership with Teach First

Teach First has been an accredited NPQ provider for several years. Following a thorough due diligence process, Bright Futures is delighted to be partnered with Teach First.

Teach First has got a strong and proven track record in leadership development. For nearly twenty years, Teach First has trained and developed more than 19,000 teachers and leaders, including 10,000 trainees on its teacher training programme rated 'Outstanding' by Ofsted. Read more [here](#).
